Section 8 Rewrite

ICARE Expert Panel and Section 8 Framework

ICARE Expert Panel

- Assembled a diverse group of spaceflight experts to advise on advances in spacecraft design and operations
- Eight (8) members participated in 2 sessions (28 Sep and 5 Oct 2023) – 4 hours of discussion and written comments

ICARE Expert Panel - Participants

Dr. George Nield

Jeff Greason

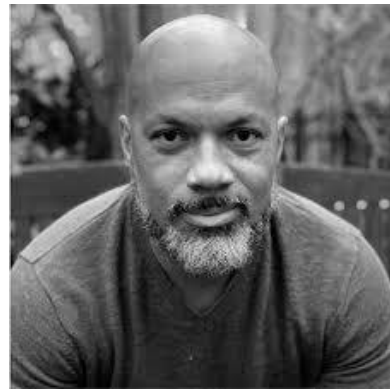

Laura Montgomery

Col George Zamka

Dr. Jonathan McDowell

Col Che Bolden

Jared Issacman

Nicolas Berend

ICARE Expert Panel – Discussion Sessions

- Each participant gave their vision for the next 50 years of Spaceflight
- The group discussed 5 Critical Questions:
 - **What spacecraft classes should be recognized?**
 - **What spacecraft sub-classes should be recognized?**
 - **What record task domains/categories should be established?**
 - **What record tasks should be considered?**
 - **What spaceflight milestone events should be recognized?**
