

FAI Aviation and Space Education Commission (CIEA)
Report to the 107th FAI General Conference
Kuala Lumpur, 4-5 October 2013

Reported by : Michiel KASTELEIJN, CIEA President

1. Important activities, projects or events since last FAI General Conference:

- 25 April 2013 : the FAI Secretary General expressed a planning of the Executive Board to transform all Technical Commissions into described 'Expert groups' during a CIEA Bureau meeting.
- 26 April 2013 : the CIEA Plenary meeting agreed to institute a group of CIEA experts to advise the Executive Board under condition that CIEA will continue her Annual Meetings to judge the CIEA Youth Art Competition and connecting educational affairs in Lausanne or hosted by a NAC of FAI and thus retain authority as FAI Commission.
- 3 May 2013 : the Executive Board asked the CIEA to act as Expert Group on Education besides her existing and continuing Commission Duties as art contest and connected duties, which require face to face meetings. Costs of meetings to be agreed upon.
- 2 October 2013 : the Executive Board expressed to propose the mentioned dual purpose construction of Expert Group and Art Competition Plus Education Commission to the General Conference.
- As the CIEA-scope reaches beyond airports only and encompasses all Aviation & Space Education, CIEA will preserve her activities in other forms to be agreed on, in cooperation with FAI.
