Facilities

Flyspot Wind Tunnel is state of the art, world's best wind tunnel based the newest evolution of Indoor Skydiving Germany technology which is currently accepted as the most advanced and offers the best free simulation globally.

Flyspot is a **14ft wide, 17 meters high windtunnel**. Glass part of the tunnel is 4,5 meters high.

The tunnel is capable to speed up the air up to 310 km/h which makes it the most powerfull and fastest in the world.

The facility consists of two floors and includes many multi-purpose rooms.

Registration will be conducted in the large lobby equipped with 3 networked computers and fully integrated, modern and customized system capable of handling all accounting and tracking.

Judging panels will be housed in a two large private offices with ample of space for the judging teams, video playback monitors, printers and all necessary supplies.

An electronic image dubbing area should be not necessary as all flight chamber video is immediatly automaticaly transferred to a video server from which the files can be accessed or transfered.

Flyspot offer ample of space for teams to wait, rest and socialize. It has own onsite restaurant/bar at the flight chamber hall which could be extended by a big tent which will cover the external terrace and add additional very large and comfortable area for teams and audience.

Additionally Flyspot is directly next door to a main event hotel which offers additional conference and competitors space if

needed.

Opening and closing ceremony will be organized in 4*Mazurkas Conference Center which is located 4 km from the Flyspot. Transport from and to the tunnel will be supplied by the organizer.

Pre Event training jumps (dates, costs ect)

Tunnel will be available for all competitors for 2 weeks before the event date for 450 EUR/h

Accommodation

Rest Hotel. www.resthotel.pl – two stars hotel located 50 meters from the tunnel.

Alternative accommodation can be arranged at Mazurkas Hotel which is located 4 km from the tunnel. (www.mazurkashotel.pl/) Mazurkas is a four star hotel and conference centre and hotel which offers integrated service to individual clients, tourists and business groups.

Flyspot will appoint the onsite hotel co-ordinator to manage the booking for all participants

Local Transportation Provided

Flyspot will provide shuttle bus from and to the airport and Mazurkas hotel

Outline of media plan, media contacts, publicity arrangements and appointment of a Media Officer

Flyspot is located in Mory – on the border of Warsaw, 15 minutes by car from the Warsaw city center which has many local, state and national media outlets.

Flyspot has also its own experience in sport PR and Media Agency and has very good current relationships with nationwide tv and radio stations which already declare to cooperate in the creating media coverage for the event.

Flyspot will organize a trainings and events in the wind tunnel for the journalist to teach them about the rules of the competition and how to write, talk about and show the competition to the laymans on a highest and interesting level.

Flyspot will send press and video releases and official media invitations to its media contacts on monthly basis for the six months preceding the event. Two months prior to the event Flyspot Warsaw Indoor Skydiving will increase the amount of press, video and photo releases send out to its media contact.

Flyspot Marketing and PR team is very experienced in ongoing cooperation with the biggest national media broadcasters, which allow us to increase event media coverage at the very low price Flyspot will make available interviews, photos and video footage to the media contacts and provide a media officer who will work with and give the full cooperation to IPC Media Liaison Officer

Accommodation detail for FAI/IPC officials

FAI/IPC officials will be accommodated in 4 stars Mazurkas Hotel located 4 km from the Flyspot wind tunnel offers comfortable double rooms with the possibility of using them as single rooms

Details of all Judging and Scoring System to be provided

Bider offers up to 4 independent complete set ups of full version of inTime Scoring system which meets and exceeds the requirements set forth by the IPC.

Flyspot has been using inTime successfully since 2014.

In addition Flyspot will install judging system for dynamic event which will be provided by David Pettraco.

Flight chamber is equipped in 4 IP digital cameras connected to very efficient automatic video system from which footage can be used for the video playback and Intime Scoring Systems

Details of arrangements for immediate medical care, on-site medical personnel, availability of ambulances, distance to hospitals, ect

Flyspot Warsaw Indoor Skydiving will have full time first aid and CPR trained person onsite for the duration of the Event. Full ambulance and medical services are available through 112 emergency services. Typical response time is just 10 minutes. There are several hospitals and medical centers in Warsaw including a level 1 trauma center.

Proposals for event officials

Meet Director: Michał Braszczyński – Flyspot CEO

Assistant Chief Judge: Alicja Janek – Flyspot CAO

Media Officer: Bartosz Więcek – Flyspot CMO

Details of on site communications

Flyspot is equipped in several mobile phones and handheld walkie-talkie.

There is also mobile phones short messaging service (sms) on-site managed system which provides a one-way service provided organizational information to all registered participants directly to their mobile phones.

Full Detail of applicable Visa Requirements

There is standard visa requirements for United Europe Schengen Area.

Additional information could be find here:

http://www.msz.gov.pl/en/travel_to_poland/visa/visa

Medals

All necessary medals will be obtained from FAI

Details of any anti doping requirements and system and/or proces to be in place

In the Event that anti-doping testing becomes a requirement, bidder has the facilities necessary for testing and interviews. Bidder also works with local facility that performs drug testing

Additional Information

Flyspot would like to offer the FAI Judges Training Course. We need advice of IPC to corectly price the registration fee

Flyspot is experienced in organizing sports competitions at the highest level. In November 2015 and 2016 we will organize for the second and third time **Flyspot Polish Open – the Polish National Indoor Skydiving Championship**, which could be as **a test event for the Indoor Skydiving World Championship**. We will be very happy to host IPC/FAI officials on this event.

Appendix 2

All budgeting and pricing has been forecasted using the current rules for outdoor skydiving in regards to the number of rounds, judge panel requirements, etc. Flyspot would appreciate the opportunity to revise this information, if necessary pending the publication of official rules for indoor skydiving.
