

Report to the
106th FAI General Conference
Antalya, 19/20 October 2012

By
Otto Lagarhus, FAI Executive Director

Regional Management Structure

FAI Regional Management Structure - our stated goal -

- **The FAI Regional Management Structure will..**
 - Establish/improve regional and international representation and influence
 - Improve effectiveness of the FAI executive management, by providing increased resources for the Executive Board where needed
 - Improve communication with and service to NACs
 - Give assistance and service to ASCs as/when needed
 - Facilitate promotion and recruitment to FAI

The FAI RMS Guidelines,
incl. RVP Operations Procedure

Contains

- General description
- RVP Nomination and Appointment
- RVP Duties and Responsibilities
- Administrative routines for the RVP

FAI Regional Management Structure - status as of 18th October 2012 -

- Appointment of 2 RVPs on 25 June 2012
 - RVP East & Southeast Asia
 - RVP South America
- RVP MEA
 - Situation not clear as of 15 October 2012
 - General Conference will provide opportunity to get a clearer status of situation

Report of FAI RVP East & South Asia - 2

Tengku Abdillah (Malaysia)

- **Main activities - membership/recruitment**

- Vietnam
- Laos
- Macau
- Cambodia
- Brunei

- **Recent developments after 15 September 2012**

- Laos, Vietnam, Cambodia

...staged RMS implementation must continue with force - where and when deemed necessary/desired...

- **Changes are happening fast**, several regions are growing rapidly in air sports activity
- **Support from the NACs** in the respective region is of vital importance for success
- **The Executive Board and General Conference** must provide the leadership and support needed; any tendency to «fade out» must be prevented

Thank you for your attention.
