

CIVA Aerobatic Championships

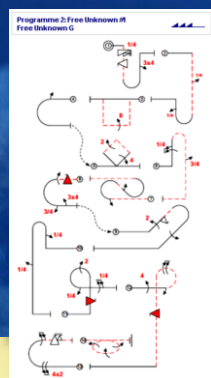

Following an interesting week in Dubai at the World Air Games, CIVA this year has successfully completed the –

- **World Glider Aerobatic Championships in Hungary**
- **World Advanced Aerobatic Championship in Poland**
- **European Aerobatic Championship in the Czech Republic**

Also the *Sky Grand Prix* in downtown Durban's Greyville horse race-course provided a great example of the more commercially oriented short events that CIVA aims to encourage during 2017 to extend beyond its usual 10-day Classic event format.
