

**FAI Aerobatics Commission (CIVA)**  
**Report to the 109<sup>th</sup> FAI General Conference**  
**Rotterdam, 25-26 September 2015**

**Reported by :** LG Arvidsson, CIVA President

---

**1. Important activities, projects or events since last FAI General Conference:**

In 2015, CIVA sanctioned seven FAI Aerobatic Championships:

The e-learning tool for judges was launched last year proved to be an important tool for CIVA. A process to also use this tool as knowledge test for judges has started to help judges to prepare for championships.

Wind measurement using drone.

Aéronautique  
Internationale*

**2. Positive and negative results:**

Thanks to COG we have better competitions and thanks to development on the field of technologies we were capable to made events more effective.

**3. Main problem(s) encountered and solutions adopted :**

The numbers of qualified judges for our glider Championships are limited. CIVA needs to support education and development on on a regional and national level to achieve a wider base of available and qualified judges.

Solution – e-learning

**4. Planned activities and projects for next year :**

2016 events

Organizers for the following Championships will be chosen at our CIVA meeting:

Bids at CIVA meeting

Two Special Events are planned but not agreed at present time.  
Introduction and development of LSA category for aerobatics.

**5. Proposals (if any) to FAI Executive Board, FAI Head Office or for the next General Conference :**

None

**6. Free reporting:**

None

Date: 15 October 2015
