RE: LETTER OF INTEREST TO HOST THE 2020 WORLD RALLY FLYING AND WORLD ANR CHAMPIONSHIP

Dear Rodney,

Our organisation will be celebrating its centenary in 2020, and as part of that celebration of 100 years, we are planning a number of world class aviation events in all the disciplines of aviation.

The South African Power Flying Association would like to host the 2020 World Rally Flying Championships and the World ANR Flying Championships.

We convened a special committee meeting on Tuesday the 3rd October 2017 and by unanimous vote affirm our intention to bid for these two prestigious competitions.

Aircraft hire is our first concern, but having examined our aircraft register we are convinced we can provide the 40 C150'2 and C172's which will be required.

We have many attractive venues, Bethlehem in the Free State Province is our front runner with the mountains of Lesotho close by and many tourist attractions.

Competition Director – Mary de Klerk has volunteered to lead the team.

Route Planner – Frank Eckard and Cally Eckard have volunteered to compile the route.

We trust that our proposal find your favour and with a positive response we undertake to submit our Final Bid at the next GAC meeting.

Yours sincerely
