### 2.1.1 Application Schedule

The application must be submitted by a NAC or an IPC recognised National Parachuting Authority or a potential Organiser to the IPC President including proof of timely payment to FAI of the relevant Application Fee (2.2.1. and 2.2.4).

(During 2016 the IPC had to search for payments at FAI, whilst it is up to a bidder to prove to IPC that payment of the Application Fee(s) has been done.)

(1) No earlier than 36 months and no later than 24 later than 18 months before January 1st of the year in which the FCE is to be held.

{Proposal to make sure that a bid does not arrive too early and as such blocking potential other Organisers.}

### 2.4 Required Information

#### 2.4.4 Table of Fees

(IPC President’s proposal regarding a basic deposit, based on the number of events, regardless of the status of the event, with a maximum of 15.000, €)

Deposit fee staged according to the amount of events starting with:

- 5000 € (1 event)
- + 4000 € (2 events)
- + 3000 € (3 events)
- + 2000 € (4 events)
- + 1000 € (5 events or more)
- but not more than 15000,00 €.

Note:
2. Event details

2.14 Aircraft – details of type, exit speed, jumps per hour possible per event, back up aircraft.

No Photographs showing exit door and handles are recommended. For Indoor Skydiving, full details of the Wind Tunnel to be used.

(According to common practice, why not showing it at all, after all, competitors want to see it.)

2.30 In addition the following information may be provided, but is not essential for the granting of Sanction (see 2.5 below). The applicant may submit this information and any proposals for other Event Officials at a later time, if more convenient.

a) Details of Opening and Closing ceremonies (if available).

b) Planned social events (if available).

c) Ability to accommodate persons in addition to official delegation and entry fee for them (if available).

d) Bank details of the organiser, in case of return of any fees by FAI / IPC.

(In order to have this information available, saving search/contact time by FAI/IPC in case this happens.)

2. Event details

2.28 Details of any Anti-Doping requirements and systems and/or process to be in place or to be expected.

(Doping controls can take place without previous notice, by national or international doping control agencies.)

3.1 Bulletins

3.1.3. The second Official Information Bulletin should in principle may only contain new, additional and/or changed information, as stated below. If however the second Bulletin repeats the information of Bulletin #1, then all new/additional/changed information must be at the top of the bulletin, including.

(Many organisers prefer to just to update bulletin #1, which is less work. However, then is it hard to find the new information. So, proposal that all new/additional/changed information must be at the top of bulletin #2.)

3.3 Medals

If the Organiser decides to use medals supplied by FAI, the commission will order these medals no later than at a time as decided by FAI in the year three months before the year in which the FCE in question is being held (see table below). This lead time is required by FAI in order to meet supplier logistics and manufacturing schedules.

(In reality, FAI takes the lead in this, and FAI places the order for the medals.)
