

**CIVL 2018 PLENARY – ANNEXE 23 I**  
**BUREAU PROPOSAL – RAISING ENTRY FEES**

**Issue and Discussion:**

In 2016, the plenary decided that the First Category event entry fees to be directly paid to FAI would concern only the top-ranked nation, not the 3 top-ranked.

It has been found that the amounts that are being secured into the FAI bank account does not cover potential liabilities.

We therefore propose that for First Category events, the two (2) top-ranked nations should pay their entry fees directly to the FAI.
