

CIVL 2019 PLENARY – ANNEXE 3 V3 ADDITIONS TO THE AGENDA
--

*Added items are provisionally included in the agenda.
Items need a Plenary 2/3 majority to be added to the agenda.*

Bureau : Sanctioning Cat 2 in countries with no NAC (Annexe 23g)

PG Aerobatic Committee: Projects and budget (Annexe 28a)

PG Aerobatic Committee: Minimum number of pilots in Cat 2 (Annexe 28b)

Bulgarian pilots – Records and Badges: various proposals (Annexe 33g)

This is not strictly an addition to the agenda as it arrived in time for regular publication, but it needs a 2/3 majority to be formally part of the agenda, as it comes from pilots, not NAC. The reason is that the Hungarian NAC is presently not functioning at all.

Award nomination from Slovenia: Pepe Lopes Medal (Annexe 36d).

This is not strictly an addition to the agenda as it arrived in time for regular publication, but it got lost somehow. Apologies.
