The Strategic Plan 2013

Competition Format Presentation

The vision of IPC is to develop competition formats and presentations that clearly communicate demonstrate the competitive element of the disciplines to the participant and the audience.

IPC will:

- Strive for immediate judging and presentation of results in all disciplines
- Develop presentation of the sport for media

The Strategic Plan 2013

Selection Process for International Events

The vision of IPC is to proactively pursue organizers for international events at venues, which have easy access for the public and media.

IPC will:

- Continue to develop material to attract organizers.
- Seek organizers with the capability of exploring the sport's marketing potential.
- Actively encourage bids for regional championships and world cups outside Europe.
- Issue a calendar of competitions as a guideline to potential organizers.
- The Bureau will take the lead in ensuring that any bid fulfills the requirements of the IPC Strategic Plan, the Bid Book and SC5 before any such bid is presented to the IPC Plenary meeting.

The Strategic Plan 2013

Promotion of Safety

The vision of the IPC is to assume the role as a central disseminator of information on safety on procedures and equipment in sport parachuting.

IPC will:

- Maintain common standards in the collection of statistics.
- Encourage and collect the collection of data setting up of databases relating to safety in parachuting.
- Act as a vehicle for publicizing information on safety issues from manufacturers

The Strategic Plan 2013

Financing

The vision of IPC is to ensure that the financial foundation shall exist to allow IPC to maintain and develop the sport in accordance with the Strategic Plan, and on a value for money basis.

The Strategic Plan 2013

Greater Autonomy

The vision of IPC is a significant autonomy within FAI to pursue the strategies and actions relevant to the development of parachuting.

IPC will:

- Call for greater self-governance and "freedom" for FAI ASC's, including:
 - Rights to enter into contractual agreements, rights to pursue commercial opportunities with organizers, sponsors and other partners and full control of media rights to ASC sanctioned events.
 - Monies deposited by or for the ASC shall be available only as decided by the ASC use. Direct procedure for ASC to access it's own funds needs to be implemented, while maintaining the level of accountability required by law.

Conclusion
