FAI Competition Management System

- Pilot and team registration
  - Individual pilots
  - NAC endorsement
  - Final approval by organizer
- Sporting licence check
  - Simple “trafic light” visual check for SL validity
  - Checks validity against competition period
- Result entry
  - Results can be entered manually with an easy to use tool
  - Or they can be uploaded from a spreadsheet
- Official documents upload
  - Jury president can ”lock” the competition when results are final

World and Continental Records

• About 250 Claims per year, 85% being World Records
• Current discussion about claim format (paper/electronic) and procedures (via NAC or without)
NOTE:
The General Section has been subject to a thorough revision and certain provisions are now the responsibility of the ASCs to determine. These are:
If an FCE is cancelled or stopped, the ASC will determine if unused fees are to be returned.
If a competitor or team withdraws after having paid entry fees, the ASC will determine the amount, if any, of fees to be refunded.
Currently Diplomas are given to 10 places in an event. ASCs will now decide if Diplomas are to be given and to whom.
Where an International record performance is set during an FCE, an ASC may allow direct notification to FAI, with all relevant information, without going through the usual dossier submission process.
The R&R Committee will discuss these and make proposals for the Plenary.

In addition, the GS revision will result in changes to section references in SC5. This will be done in the preparation of the 2015 edition of SC5.
Anti-Doping

• New rules – 4 year sanction instead of 2 years

• Testing
  – In-competition
  – Out-of-competition
    • No official « RTP » / lighter requirements
  – Not only by FAI, could also be NADA or WADA

• Education

22/05/2014

In another key milestone in the process of building Olympic Agenda 2020, a strategic roadmap for the future of the Olympic Movement, IOC President Thomas Bach today released the membership of the 14 Working Groups which will help frame some of the key recommendations. Each group will be made up of key stakeholders of the Olympic Movement, including IOC members, athletes and representatives of the International Federations and National Olympic Committees. As part of the ongoing open and inclusive process, a number of experts have also been included from civil society, including representatives of leading international organisations, NGOs and business organisations. The Working Groups will look at proposals made by the Olympic Movement, the world of sport and even by individual members of the public. Under discussion will be topics ranging from Ethics and the Youth Olympic Games to Good Governance and Autonomy and the planned Olympic TV Channel.
International World Games Association

WROCLAW (POLAND) HOST OF THE WORLD GAMES 2017

The city of Wroclaw in Poland was awarded to host The World Games 2017. The 10th edition of the multi-sport event will take place from 3 August to 13 August 2017. Wroclaw is the capital of Lower Silesian Voivodeship with more than 440,000 residents.

The President of the Wroclaw Organizing Committee - The World Games 2017 Limited - is Mr Piotr Pogrocki. In charge of all operational activities is the Chief Operations Officer Mr. Hanna Dornagula.

IWGA President Jose Pinheiro Lopez said about the next host: "We are happy to present our sports in Wroclaw in the summer of 2017, and we are sure that we will be offered optimal conditions for our sportsmen and women there. Wroclaw offers all prerequisites to stage an event like The World Games. This does not only refer to the required sporting venues and infrastructure. The city also has a record as a host of big sporting events and can count on the support of the city administration, the Ministry of Sport and Tourism and the National Olympic Committee."

The Mayor of Wroclaw, Radosław Piotrowski, sees the organization of The World Games as a good opportunity to present Wroclaw. "The World Games will be the biggest sporting event in Polish history after the Euro 2012. We also celebrate the 10th anniversary of The World Games in Poland."

Vision for the FAI World Air Games 2015

Bring together every 4 years the best athletes of World Air Sports in a major event, to compete, to demonstrate the professionalism and to promote their discipline, while inspiring future generations.
Mission

• Organise in one place a competition of the world’s best FAI Air Sports athletes
• Set up an exclusive and favourable environment for the Athletes, the Spectators, the Sponsors and the Staff.
• Set up world class venues, organisation and environment to offer athletes the best conditions to focus on their performance
• Organise a major public event to demonstrate the professionalism, the capacities and the developments in World Air Sports.
• Promote FAI with ethical values, such as mutual understanding and respect.
• Promote state of the art flight safety and security regulations.
• Connect all the different stakeholders of the FAI.
• Inspire new vocations and motivate new generations for Air Sports
