Aeronaut Extraordinaire  
1939 – Glasgow

**Don Cameron is a balloon and airship designer, builder, and pilot. His company, Cameron Balloons Ltd., is the world's largest manufacturer of hot-air balloons and has been in business for over 40 years. The company makes hot air balloons, special shape balloons, airships, gas balloons, and Rozière balloons for sport and important world record projects. Cameron is recipient of many honors bestowed by the FAI, BFA and the Royal Aero Club.**
