

DECISIONS

1. The Education Sub-Committee's recommendation for the CIAM Scholarship was approved - Loic BURBAUD (FRANCE) - Bureau Agenda Item 5 (BA 5).
2. Bureau proposals (BA 11):

The Bureau proposal B. 16.2 Team Classification will be referred back to the Bureau for further consideration.

Amendments to some Bureau proposals were decided and a document detailing them will be made available to Delegates.
3. It was decided to award medals for the 2nd and 3rd places for World Cup classes. (BA 15)
4. After checking with the FAI office and establishing that the number of embroidered badges sold over the last few years is very low, it was decided not to produce such badges for CIAM. (BA 17)
5. The Scale Subcommittee will decide and recommend what should be done with the two trophies that are no longer awarded for Scale events. It was agreed that the people who were awarded these trophies the last time should be asked to return the trophies to the FAI office. (BA 18)
6. It was decided to sign a Memorandum of Understanding (MoU) between CIAM and FAI/FAME. (BA 20)
7. It was decided to wait and review together with the rest of the Airsports Commissions, the FAI Doping Control results. (BA 21)
8. It was decided to prepare a questionnaire regarding UAV and FPV activity by May which will then be sent to all NACs by June. On receipt of the completed questionnaires, CIAM will consider the situation and prepare proposals to be forwarded to the FAI Executive Board regarding definitions. (BA 23)
9. FAI Head office is going to investigate the transportation of Airsports equipment and CIAM will prepare some guidelines for the organisers regarding batteries. (BA 24)
10. Championship bids (BA 26):

It was decided that CIAM Sub Committees will be tasked with first checking the submitted bids to host any category 1 event. After the Subcommittee initial approval, the bid will be forwarded to the Plenary or the Bureau for the final approval.

At a later stage CIAM Sub Committees will be responsible for selecting Jury members, judges or any other official required by the rules.
11. It was decided to form a Working Group to prepare a CIAM Jury handbook. In addition, CIAM will forward to CASI proposals to be included on the long existing FAI Jury Handbook. (BA 32).
12. A "Jury Pack" will soon be uploaded to CIAM web site, to assist the Jury members to their activity. This pack will include checklists, sample documents, templates for reports and any other material which can be used by the jury members to perform better and also to standardize the procedures.
