

# 2013 TROPHY REPORT

*by CIAM Secretary, Massimo Semoli*

At this moment, we have 90 trophies registered: 50 are World Championships trophies, 17 are dedicated to European Championships and 23 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

The Trophy management improved but still require support. The trophies to be awarded are now mentioned in the Championship bulletins when applicable. Only few forms relevant to the transfer of a trophy have been delivered. None of the championships results included the awarded trophies when applicable. The FAI juries are required to check this inclusion when they sign the championship results. Also FAI office is required to chase the organisers to provide the results of the awarded trophies when they are missing and to publish them with the results.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

The list of the trophies status is in the “Documents” page of the FAI aeromodelling website.

Exceptionally four nations, after this year Plenary meeting and for various reasons, donated trophies with the intention they would be awarded at this year championships. The Bureau approved the donations of this trophies and authorised to awarded them this year. They are the following:

- Junior Team Trophy donated by France and Serbia to be awarded at the F1E World Championships
- Junior Individual Floating Trophy donated by South Africa to be awarded at the F3A World Championships
- Luciano Compostella Team trophy donated by Italy to be awarded at the F2B European Championships

Many thanks to France, Italy, Serbia and South Africa.

Many thanks also to Germany for the donation of four trophies to be awarded at the next year Championships after the approval of the next year Plenary meeting. They are the following:

- Junior Individual Trophy to be awarded at the F1E European Championships (using already existing trophy with wrong destination)

- Senior Individual Trophy to be awarded at the F3N European Championships
- Senior Individual Trophy to be awarded at the F3F World Championships
- Junior Individual Trophy to be awarded at the F3C European Championships

The Scale technical meeting decided to re-allocate the ex F4B World Championships trophies to the F4H class. From the next year F4H World Championships, the KLM Trophy will be awarded to the individual champion and the FAI Challenge Trophy to the team champion. The past winners of the trophies will remain recorded on them. They have to be returned to next year F4H World Championship by Poland where they were awarded last time.

The situation of trophies is enclosed to this report.
