

Youth Programs AeCS

Youth programs AeCS

Pro Aero Youth Camp in S-Chanf/St. Moritz

- A one week summer camp in St. Moritz for about 180 youngsters (14 - 16).
- Discover the beautiful world of aviation.
- Build models, boomerangs, stunt kites, hot-air balloons, missiles.
- Visit the airport of Samedan, search and rescue service (REGA), Swiss Air Force, commercial and private aviation and go for a real flight.
- Costs: Fr. 250.— per participant.
Webpage: www.aeroclub.ch/jula
- Every participant will become a free AeCS youth member.

YES flights – Young Eagles of Switzerland

- Supervision of youngsters (12-18 years) by an experienced pilot and member of the AeCS.
- Learn about the third dimension, different air sports, local air clubs, and the AeCS.
- Go for a double command flight (about 20 minutes), including the complete briefing and de-briefing.
- The pilot will become the personal contact and mentor of the participant.
- Every «Young Eagle» gets a diploma and will become a free AeCS youth member (from 14 - 18).

Visiting an airport

- Visit the airport in your neighborhood!
- Aircrafts, helicopters, jets!
- Pilots explain why and how an aircraft flies!
- Every participant from 14 - 18 will become a free AeCS youth member.

FAI art contest

- Yearly national art contest with a topic defined by the FAI.
- Around 450 participants per year.
- 3 categories for kids from 6 - 17.
- Every winner (3 per category) gets a prize (diploma, Pilatus Porter P-6 flight, models, stunt kites etc.).
- The winners of the national contest take part in the international contest of the FAI. Info: www.fai.org
- Every participant (of category 14-17) will become a free AeCS youth member.

Professional pilot or parascout - www.sphair.ch
