3. Situation of next WHC in Russia

2nd Vice President reported about the planning stage:
Planning is now concentrated to 2010 in order not to come into conflict with WAG 2011, if held in Russia.
The venue will be changed from Kaliningrad to Moscow region (Drakino – 90 km south of the capital). The final permission and organizational matters must be clarified on local Government level. The decision will be forwarded as soon as possible.
If there will be a negative decision for 2010, WHC must be shifted to 2012 or held in the year of WAG.
