Invited – Delegation from Poland

1. Proposed World Championship – Poland 2015

Upon the President's invitation the Polish Delegation briefed the Bureau upon progress.

- a. The venue proposed is Gdynia on the Baltic Coast, the base for their Air/Sea Rescue Operations.
- b. A test event is to be scheduled for August 2014.

The President reminded them that no written proposal had been received. This has to include all those elements set out in Chapter 1 of the World Championship Rules.

A particular point was made that the detailed identity of the parties who would sign the Organiser Agreement must be disclosed.

The President asked for the written bid to be submitted to him by 30th October 2013.

It is reported that negotiations are underway with the NAC, Ministry of Sport, Defence Ministry and the Polish Air Force.

2. World Air Games

The President reported that the next scheduled event is in 2015. No information is forthcoming as yet. The Bureau was concerned at the lack of information.

3. Proficiency Certificates

The scheme is up and running. Certificates and application forms are now available. Team Managers promised that all Competitors attending St Hubert would seek appropriate recognition.

4. FAI Gold Rotorcraft Medal Book

This is in the course of preparation.

5. S9 Records

Further minor amendments to the Rules concerning payload and altitude in the differing weight categories has been requested by FAI. This is due to the increase in reported record claims.

The President was authorised to make the appropriate changes and agree them with FAI Head Office.

6. World Championship Rules

Wolfgang Perplies reported that his proposals had been circulated. The only response to date was from the President. He requested that all should respond to him by 30th October 2013.

The Bureau Meeting was cut short. The President discussed Items 4 – 6 with each Bureau Member and received their approval to proceed.
