CIVA Committees and Working Groups: 2018-19

COMMITTEES

### Rules Committee (RC)
- **Matthieu Roulet** – Chairman  
  FRA
- Elena Klimovich  
  RUS
- Jürgen Leukefeld  
  GER
- Nick Buckenham  
  GBR
- Philippe Küchler  
  SUI
- Pierre Varloteaux  
  FRA

The Rules Committee is responsible for the development of Section-6 Part-1 regulations and all associated documents, and manages the mid-year RC & JC meeting to assess the suitability of proposed regulatory changes in advance of their detailed review and adoption / rejection by the CIVA plenary each year.

### Judging Committee (JC)
- **Pierre Varloteaux** – Chairman  
  FRA
- John Gaillard  
  RSA
- Jürgen Leukefeld  
  GER
- Mikhail Mamistov  
  RUS
- Philippe Küchler  
  SUI
- Vladimir Machula  
  CZE

The Judging Committee appoints international judges for all CIVA championships, monitors judging standards, reviews and develops aerobatic judging regulations for best practice, and reports to the CIVA plenary each year.

### Catalogue Committee (CC)
- **Manfred Echter** – Chairman  
  GER
- Anatoly Belov  
  RUS
- Brian Howard  
  USA
- Madelyne Delcroix  
  FRA
- Pekka Havbrandt  
  SWE
- Pierre Varloteaux  
  FRA

The Catalogue Committee monitors the power and glider Aresti Aerobatic Catalogues for appropriate content, reviews and assesses proposals for new figures, and provides its recommendations to the CIVA plenary each year.

### Glider Aerobatic Committee (GAC)
- **Manfred Echter** – Chairman  
  GER
- Ferenc Toth  
  HUN
- Jerzy Makula  
  POL
- Madelyne Delcroix  
  FRA
- Pekka Havbrandt  
  SWE
- Philippe Küchler  
  SUI

The Glider Aerobatic Committee is responsible for all aspects of CIVA’s glider aerobatic regulations, including review of glider Free Known figure master sets, and provides its recommendations to the CIVA plenary each year.

### Information and Communication Technology Committee (ICTC)
- **Vladimir Machula** – Chairman  
  CZE
- Kari Kemppi  
  FIN
- Nick Buckenham  
  GBR
- Peter Rounce  
  GBR
- Philippe Küchler  
  SUI

The Information and Communication Technology Committee monitors and reviews all IT and communication systems operated at CIVA championships, and provides its recommendations to the CIVA plenary each year.
WORKING GROUPS

Known Figures Analysis
Working Group (KAWG)
Elena Klimovich – Chairman RUS
Coco Bessiere FRA
Mikhail Mamistov RUS
Nigel Hopkins RSA
Rob Holland USA

The Known Assessment Working Group takes the Free Known 5-figuree master sets submitted by NAC’s each year as the basis for their considerations. To achieve the best solutions they may suggest revisions to the authors of submitted sets, and also add sets of their own design where they consider this is necessary and/or appropriate.

Strategic Planning Group (SPG)
Nick Buckenham – Chairman GBR
Alan Cassidy GBR
Castor Fantoba ESP
Elena Klimovich RUS
Matthieu Roulet FRA
Mike Heuer USA

The Strategic Planning Group reviews, develops and reports on matters of strategic value to CIVA’s operational status at all international aerobatic championships, and provides its recommendations to the plenary each year.

FairPlay System Working Group (FPWG)
Nick Buckenham – Chairman GBR
Doug Lovell USA
Gilles Guillemard FRA
Mikhail Mamistov RUS
Vladimir Machula CZE

Development of the FairPlay System as operated by CIVA’s championship results calculation software is controlled by this working group, which reports its recommendations to the plenary each year.

Contest Organisation
Working Group (COWG)
Nick Buckenham – Chairman GBR
Elena Klimovich RUS
Madelyne Delcroix FRA
Vladimir Machula CZE

The COWG monitors the operational use and correctness of working practices carried out by Contest Organisers and CIVA officers at CIVA championships in accordance with Section-6 and other regulations, and reports upon their effectiveness to the plenary each year.
