To:

Hang gliding and Paragliding Commission CIVL

COMMISSION INTERNATIONALE DE VOL LIBRE

## Letter of Intent

We hereby submit a letter of intent to propose the organisation of the 2nd World Paragliding Junior Championship 2026.

This comes as a continuation of our bid for the 18th Paragliding European Championship and we believe that we can join this two events back to back and offer top level organisation for this category as well, which will benefit both events.

In case the committee is interested in this kind of proposal, we are ready if needed to provide additional bid for this event too, within deadline specified by you.

Sincerely,

Paragliding Club Delta
