Mr.	Berlo	Jacques	CIG / FAI Rotorcraft Commission	President
Mrs	Rouillon	Ségolène	FAI	Head of Administration - EduC Coordinator

2 MINUTES OF LAST MEETING

Minutes of last meeting were unanimously approved.

3 EDUC PRESIDENT'S REPORT

See attachment.

4 ELECTIONS OF COMMISSION OFFICERS

No nominations had been put forward. Mr TWIGG to discuss this further with FAI Office after the meeting and look for potential candidates.

The FAI President suggested to the audience to expand the perceived scope of the FAI Education Commission and explore the synergies possible with the other FAI Commissions.

5 DRONE PHOTO CONTEST

Mr CHAU, HKG delegate, presented a proposal for a drone photo contest. The concept was supported by the audience and the details are to be further worked on by Mr CHAU, with the help of FAI Head of Administration, Mrs ROUILLON.

6 NAC SUGGESTIONS / PROPOSALS TO THE AGENDA

6.1 PROPOSAL BY ESTONIA

Mr. USKA, EST delegate, presented his idea to create a working group within the FAI Education Commission to investigate latest developments in aviation and ways of promoting them. Mr PRE volunteered to lead that group which would include him, Mr USKA and Mr PRINCIPATO (USA).

7 YOUNG ARTISTS CONTEST

FAI Head of Administration informed the audience that drawings have been received to the Office from between 10 and 12 NACs. Participation is low and there is a concern about the level keeping on decreasing. Lack of interest by NACs? Lack of resources ?

Because of the current situation preventing any physical meeting, the jury for the contest will be organised by the FAI Secretariat within the next weeks, as in 2020 and 2021. Results will be published immediately afterwards.

Topic for 2023: as the audience did not have any suggestion, the topic will be discussed by Mr TWIGG and Mrs ROUILLON after the meeting.

8 AOB

None.

9 NEXT MEETING

To be decided and communicated.
