### MISCELLANEOUS

The airfield has no commercial flights and only few IFR flights, ideally situated at 2 km NW of the city, the time from accomodation hotels is less than 15 mn . Regular and frequent bus shuttles to competitors will be provided troughout all the competition days.

There are very few and limited regulated areas in the vicinity allowing for easy navigation routing and training practice.

The landscape offers a mix of hills, forests and interesting landscape.

For social events, TROYES is situated in the famous "CHAMPAGNE" region and we prepare a really friendly and special reception you will remember of....

For accompanying participants, the town has old houses, streets and churches of great interest and ideal for relaxing time, and is famous throughout all the North East of FRANCE for its Shopping Center. TROYES being situated at 90 mn from PARIS we consider excursions to the French Capital.

**The FÉDÉRATION FRANCAISE AÉRONAUTIQUE, is glad to invite the pilots from the World to participate to the combined Precision and Rally Championships in TROYES in July 200**
