Luxembourg, January 12th, 2016

Dear Mr President, dear bureau members, dear delegates and alternate delegates,

The Fédération Aéronautique Luxembourgeoise (FAL) is pleased to invite you to the IGC plenary Meeting to be held on

26th and 27th February 2016

at the

Hotel Sofitel
4, Rue Du Fort Niedergrünwald
Quartier Européen Nord
Plateau de Kirchberg
L-2015 Luxembourg Kirchberg

Our NAC could celebrate its 100th birthday in 2009, and covers all airports directly together in one federation. Gliding takes place in Luxembourg for more than 80 years, and the only club, the "Cercle Luxembourgeois de Vol à Voile" celebrated its 50th birthday in 2008. We are proud of one exceptional recordman in gliding, Guy Bechtold, who established several continental records and even two world records. Although competition flying in Luxembourg is not very strongly developed, we could gain the support of Andreas Sandhöfner, working for the well known CARGOLUX air freight company.

In 2015, we had the honour to organise the EGU meeting in Luxembourg, which was a great success.

We hope that most of you will have the time to attend the meeting and discover Luxembourg. For accompanying partners, a touristic programme will be organised on the two days during the plenary meeting. On Friday, the 26th January, the official dinner will take place in a typical luxembourgish restaurant. Looking forward to meet you in Luxembourg, please receive our best wishes wishes for 2016!

On behalf of the Fédération Aéronautique Luxembourgeoise,

Carlo Lecuit
President of the FAL, delegate IGC

Arny Weber
Vice-president of the FAL, alternate delegate IGC
