

Proposal for a revised Annex A valid from 01 October, 2010

Year 1 Proposal by Annex A Committee

It is proposed:

To substitute the present Annex A with this revised version when the moratorium ends 01 October, 2010.

Documents and Paragraphs affected:

Sporting Code Section: 7.7.6 Club Class

Annex A: All paragraphs

Other - Nil

Details:

At the September 2008 meeting, the IGC Bureau directed the Annex A Committee to make a major revision of Annex A to be valid from 01 October, 2010. The objective was to remove Tasks and procedures that are not used and reword the paragraphs where needed. The main features of the new Annex A are:

Two different Tasks

Two different Start Options

Two different Finish Options

One Scoring System

Justification:

It is the position of the Annex A Committee that all Continental and World Championships should be scored using the same Scoring System. The Place Scoring System and the Simplified Scoring System have never been used in Continental and World Championships and are therefore removed from Annex A.
