1 INTRODUCTION

All applications to host an IPC First Category Event (FCE) must follow the procedures and timing outlined in Part 2 of this document and in the case of a successful bid, must comply with the other obligations listed in Part 3.

An FCE is defined in the FAI Sporting Code, General Section 4.4.1 as:

- World Air Games (WAG), as approved by the General Conference.
- World Parachuting Championships (WPC), World Indoor Skydiving Championships (WISC) and Continental Regional Championships (CRC) as approved by the FAI Air Sport Commissions concerned and confirmed by the Executive Board as part of their approval of the FAI Sporting Calendar (Statute 4.2.2.11 refers).
- International Sporting Events approved by the FAI Air Sport Commissions concerned.

The IPC Bureau and the relevant Competition Committee Chairs are available to give help and advice at any stage of the process (contact via the IPC President).

2 Competition Application Procedure

The terms of this document are compulsory for all potential Organisers submitting a bid to host an IPC FCE.

2.1 APPLICATION

2.1.1 *Application Schedule*

The application must be submitted by a NAC or an IPC recognized National Parachuting Authority or a potential Organiser to the IPC President together with proof of timely payment to FAI of the relevant Application Fee (2.2.1. and 2.2.4).

- (1) No later than October 1st of the calendar year before the Plenary Meeting when the decision on the application is made (see 2.1.3) or
- (2) Where no other application has been received and/or approved, no later than October 1st in the calendar year before the calendar year scheduled for the event.

Any application may be checked with the relevant Committee(s) prior to submission for completion of details, with the proviso that entry fees need only be included in the final application.

An application must contain all the information indicated in Annex 2 "FCE Bid Document Format" and the Application Fee as described in 2.2.1 below must be paid to the FAI to the credit of IPC at the time the application is submitted.

The decision to consider an application submitted after the time specified above is subject to the provisions of IPC Internal Regulations, 3.8.3, requiring a Bureau decision on conflict with other applications, followed by the necessary two-thirds vote for the application to be placed on the Agenda of the Plenary Meeting.

No application will be considered unless the required application fee has been paid and the application is accompanied by the required draft Organiser Agreement, as per paragraph 2.3 below.

2.1.2 *Review and Evaluation of the Application*

- (1) The IPC Bureau will review all applications submitted in accordance with this document.
- (2) The Bureau has no power to change the original application in any way.
- (3) The Bureau will take advice from the relevant Competition Committee Chair(s) in order to evaluate the applications.
- (4) The Bureau will liaise with the applicant to clarify facts and information and to rectify omissions.
- (5) All application information must be kept confidential and the persons involved in the review process may not discuss the contents of the application with any person other than the applicant or amongst themselves.
- (6) The IPC Bureau will make a recommendation to the IPC Plenary Meeting, so that a decision may be made by the IPC Plenary as to whether to grant or refuse Sanction.

2.1.3 *Decision on the Application*

The IPC Plenary decision on whether to approve or reject an application to organise an FCE will take place in accordance with the following timeline criteria:

- i) The decision may not be made before the Plenary Meeting which takes place no earlier than two calendar years before the year in which the FCE is scheduled.
- ii) If an application has been received by October 1st before the Plenary Meeting which takes place no earlier than two calendar years before the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that Plenary Meeting.
- iii) If no decision can be made in accordance with (ii) and an application is received by October 1st before the Plenary Meeting which takes place one calendar year before the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that Plenary Meeting.
- iv) If no decision can be made in accordance with (iii) and an application is received by October 1st before the Plenary Meeting which takes place in the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that Plenary Meeting.

Example:

FCE for 2021:

- a) Application submitted by October 1st, 2018. The decision will be made at the 2019 IPC Plenary Meeting.
- b) If no application submitted or approved in accordance with a), a decision will be made at the 2020 IPC Plenary Meeting for any application submitted by October 1st, 2019.
- c) If no application submitted or approved in accordance with b), a decision will be made at the 2021 IPC Plenary Meeting for any application submitted by October 1st, 2020.

Applications to organise a Para-Ski FCE or a Mondial may be exempt from the timeline criteria if agreed to by a 2/3 majority vote of the IPC Plenary on a recommendation by the IPC Bureau to that effect.

2.2 FINANCIAL OBLIGATIONS

A bidder has several financial obligations related to the organization of an IPC competition.

2.2.1 *Application Fee*

An Application Fee as per the table below must be paid with every Application submitted to the IPC. This Fee must be paid at latest one week before December 1st when the final Application is sent to the IPC President.

The application fee will be:

- (1) Returned if Sanction is refused by the IPC
- (2) Retained by the IPC
 - a) if the Application is withdrawn prior to any decision with respect to Sanction unless the IPC Bureau considers that the withdrawal is beyond the control of the applicant in which case it will be returned,
 - b) if Sanction is granted, but the FCE cannot take place for any reason.
- (3) Treated as a part prepayment of the Sanction Fee (2.2.2) to be paid in respect of the FCE.

2.2.2 *Sanction Fee*

A Sanction Fee, as per the table below, is levied by the IPC in respect of only those Delegation Members, who are competitors, team videographers, Heads of Delegation, Team Managers and Team Coaches listed on an Official Entry Form. The FAI Controller will establish an estimated total that must be paid by the Organiser to the FAI at least 7 days before the published official start date of the competition. The FAI Controller shall then establish the actual number of participants to allow for a final settlement before the Jury approves the competition results and declares the event to be valid.

2.2.3 *Deposit or Guarantee*

The Organiser will either pay a Deposit as per the table below or provide a Guarantee (e.g. letter of credit, certificate of deposit) to the FAI/IPC no later than 30 days before the starting date of the Sporting Event, in a manner acceptable to the IPC. The form of a Guarantee must be determined by the Organiser and must be accepted by the IPC Bureau before the Sporting Event may be approved by the IPC Plenary. The amount of the Guarantee must be equal in

value to the required Deposit on the date that the Sporting Event is approved by the IPC Plenary.

In the case of World Cups or other FCEs, a lesser amount may be agreed to by the IPC Plenary Meeting, upon recommendation from the IPC Bureau, or the IPC Competition Committee(s) concerned.

This Deposit will be refunded in full to the Organiser or the Guarantee will be cancelled as soon as possible after the IPC Bureau has received the report from the Jury (SC5 4.7.2.6) but in no case later than 30 days after the end of the competition except in situations as laid out in Annex 1 of Schedule 1 and § 6 of the Organiser Agreement.
