*Non WC* – S8D –12

*Additional comments* :

the organizers have a very long experience and the contest was prepared at the highest standards for the Space Models World Cup. Time-keeping and judging was very good. In the S4 competition took place fly-off for 3 competitors.

The scores were posted at the score board very quickly after every round. Final lists score was distributed to the participants just after completion of the contest.

*General evaluation* : Excellent
