- **Red Bull Air Race (existing)**

- **Air Games Series (under development)**

CIAM Plenary Meeting – April 2017

Considerations

Considerations

Points for discussion

- **How to increase public interest?**
- **What we can do on National level?**
- **What we can do on Regional level?**
- **What we can do on Global level?**

Considerations

Points for discussion

- **High cost to organize CAT 1 events**
- **High cost to participate in CAT 1 events**
- **Not so many sponsors**
- **Can we continue with so many CAT 1 classes?**

Considerations

Points for discussion for the future

- Format of our events
    - Well defined time slots
    - Live and instant scoring
    - New type of events
    - Low number of officials
    - Shorten the event period
    - Use available technology
