

January 2011

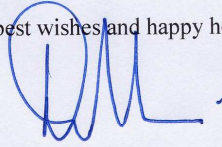

Dear Colleagues

**CIG Plenary Meeting – March 2011**

You will find attached the following:-

1. David Monk's proposals under Annex 2 for the Internet Competition.
2. The nomination of Irina Grushina for the 2011 Rotorcraft Gold Medal under Annex 5.
3. Annex 6 is the amendments to Section 9 Records to which has been added the new Chapter 7 dealing with Certificates of Proficiency for Rotorcraft Pilots. I am introducing this for discussion to encourage newer and less proficient rotorcraft pilots be they for helicopters or autogyros to improve their skills. I look forward to your input when we come to discuss it.

Kind regards, best wishes and happy hovering

David Hamilton
