

Event		Proposal	Proposing country	Notes	
1	WHC	General section	Chapter 2, 13.12 Split 13.12 into two separate paragraphs and renumber later paragraphs 13.12 Each competing helicopter must comply with its own National Flight Regulations, and must be equipped with a VHF radio and normal standard equipment. 13.13 A black flag shown to a competitor means he is disqualified for the event. "Black flags" are explained in some score events and will be detailed during briefing. Black flags can only be shown by judges on the authority of the Chief Judge or by the Chief Judge or Deputy Chief Judge. A black flag will be shown to indicate disqualification to a competing crew for the following reasons: <ul style="list-style-type: none"> • Unsafe flying • If the fender or bucket gets caught on the helicopter skid or wheel. 	Belarus	
2	WHC	Event 3 - Fender Rigging	5.3.3 Add text Multiple opportunities to pass the D gate and each entrance gate correctly will be allowed. If the fender misses the gate. it must be taken back around the outside of the poles before another attempt is made. The judge will score correct or incorrect gate passage when the fender is flown to the next container. Taking the fender back over the gate will incur a penalty of 10 points.	Belarus	The question of how to correctly attempt a gate a second time is raised at every event briefing. There's no mention of it in the rules.
3	WHC HWC	Event 3 - Fender Rigging Parallel Fender Rigging	Placement of containers in the Cat 1 & Cat 2 Fender event: For safety reasons allow only 6 variables in the container A square which requires flying with the 4 meter length rope. Positions 7,8,9 are too close to the D gate and should be cancelled	Russia	
4	WHC	Event 4-Slalom	Equipment One round table, 1 m diameter and 1 m high. The centre circle with a diameter of 22 cms, painted in black colour. The remaining surface of the table is white. The table surface must be smooth with no holes.	Belarus	
5	HWC	General event regulations	Complaints and protests All complaints and protests can only be immediately after the flight in question and before the next flight takes off, but no later than the next round of flights.	Russia	

6	HWC	Parallel Fender Rigging	Add one more para. Variables There will be a mandatory draw at the general briefing for the position of containers 1, 2 and 3. The position of each container can vary within each 40m x 40m square.	Belarus	
7	WHC	General Rules and Regulations	Chapter 2, para 13.8 Addition The Organiser will provide video recording of events 5.2, 5.3, 5.4. which may be used as evidence alongside with the video recordings provided by competitors.	Belarus Russia	
8		Chapter 4 Criteria and approval of judges	3.0 DURATION 3.1 The validity of international judge status will be from one CIG meeting prior to a World or Continental Helicopter Championship to the next. This will give a validity of two or maximum three years depending on the frequency of these Championships.	Belarus Russia	Besides WHC which are held every 3 years, there are annual Cat2 events. According to 2.1. of Chapter 4, the NACs submit a list of individuals who are to be granted or confirmed as intern. judges or assistants at CIG annual meetings. Therefore duration of international judge status should be adjusted to the requirements of 2.1.
9	HWC	Parallel Fender Rigging Parallel Slalom	Since course judges do not use any score sheets, delete Annex 8 Score sheets for both events except for the Chief Scorer's sheets on p.95 and p.114.	Russia
