Vice-delegate - Giovanni Chiappa - [giovanni.chiappa@gmail.com](mailto:giovanni.chiappa@gmail.com)
3. General situation, some issues and progress status relevant the past year:  
3.1 Statistics - we don't made such statistics but following some information of our activity:
  - only one fatal accident last year (under investigation ANSV – [www.ansv.it](http://www.ansv.it) )
  - about 37 new homebuilt under construction (also a twin-engine)
  - two Italian historical aircraft being restored (P166 – MB326)
4. Certification scheme, organization entitled to issue Airworthiness certificate, duration of certificate/permit to fly...  
Our NAA – National Aviation Authority (ENAC [www.enac.gov.it](http://www.enac.gov.it) ) gave us the task of monitoring the new constructions and to propose the issue of the relative PtF (Permit to Fly).  
Now we are also able to renew those PtF of our members.
5. Permit to fly / certification renewal charges  
We are studying how to charge each task to refund administrative costs.
