5B.5. Downgrading System for Judging Manoeuvres
(additional text in bold-underlined):

Each judge gives a mark for each manoeuvre during a flight. Assuming the highest mark 10 at the start of each manoeuvre, every defect is subject to downgrading of the mark in whole numbers (or in half numbers for slight defects, but in sum resulting in up-rounded whole numbers). A high score should remain only if no substantial, severe or multiple defects are found.
