

BID FOR EMC 2013

EMC 2013
KAMENICA NAD CIROCHOU

AEROKLUB KAMENICA NAD CIROCHOU AND THE SLOVAK MICROLIGHT FEDERATION (SFUL)
IN COOPERATION WITH
LIGHT AIRCRAFT ASSOCIATION OF THE CZECH REPUBLIC (LAACR)

Location

Kamenica nad Cirochou is a village in the Humenne district in the Eastern Slovakian region, near the Polish, Ukrainian and Hungarian boundary.

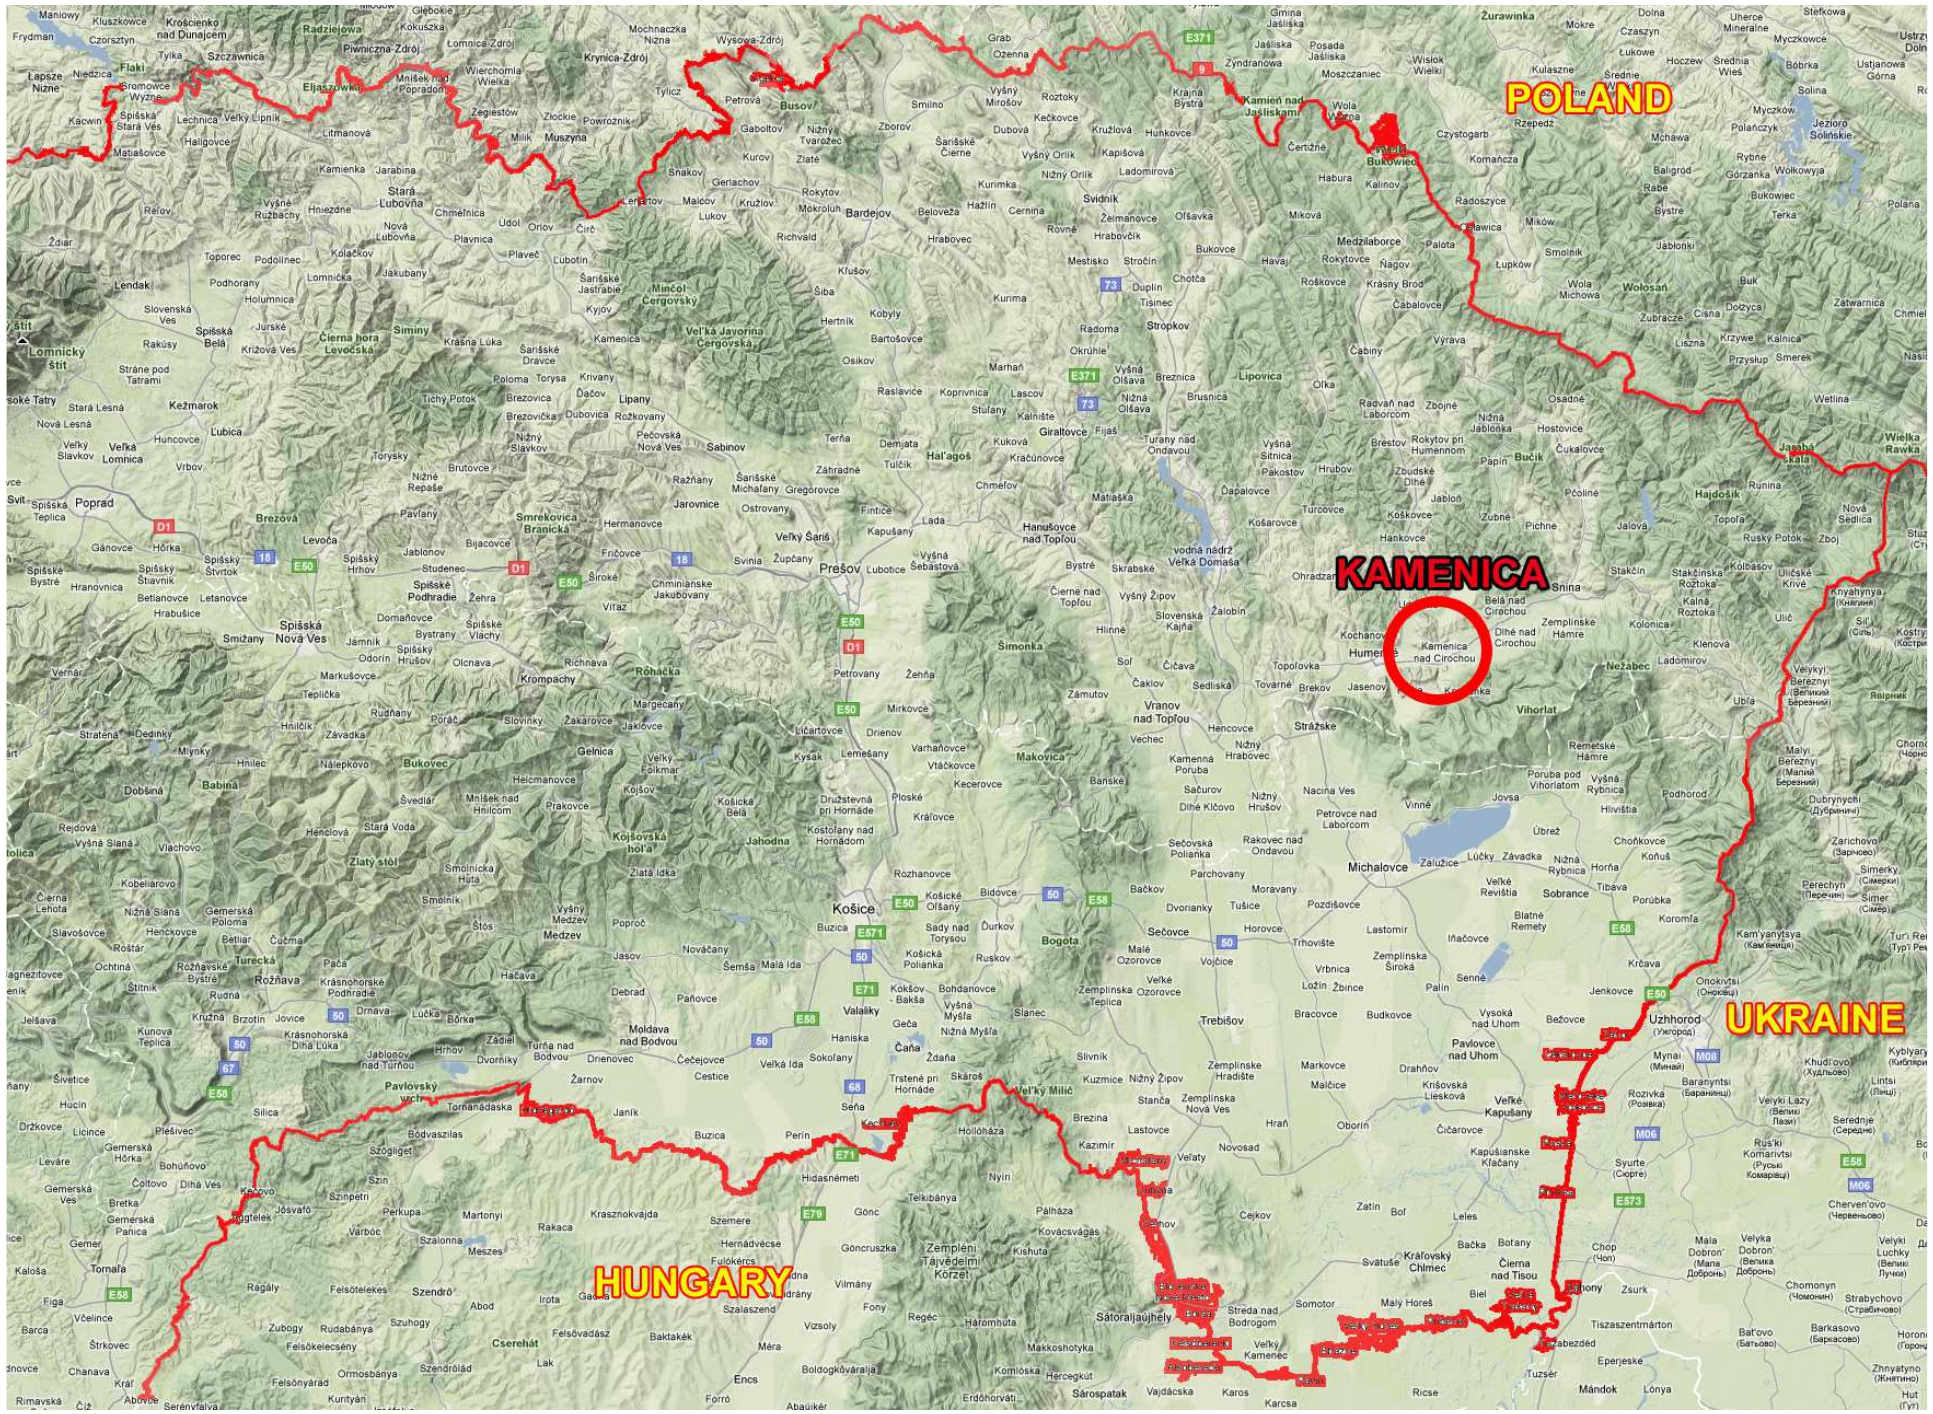

This is a medium sized village with all of the basic stores, medical care facilities, pharmacy, restaurants, hotels etc. In Kamenica lives 3 thousands inhabitants.

Only 7 km from the Kamenica is town Humene (35 000 inhabitants), the district capital with complete infrastructure.

In distance of 75 km is the town Kosice (355 000 inhabitants), this is the capital of Eastern Slovakia. Here you can find reach infrastructure inclusive international airport LZKZ

DESCRIPTION OF THE COUNTRY

- To the north, west and east from the Kamenica nad Cirochou are mountains with elevation a little over 1000 m AMSL, to the south there is a large flat lowland (only 100 m AMSL). Altitude of the airport is 172 m AMSL.
- These natural conditions are giving a lot of occasions for creating very interesting navigation tasks in spectacular country.
- A lot of possibilities for spending of free time for accompaniment are offered – hiking in the virgin nature, swimming in lakes, visiting of museums of folk arts, original folk architecture etc. The Andy Warhol's Museum is only 30 km in the born place of Andy's parents.
