

## The Lilienthal Gliding Medal

To reward a particularly remarkable performance in gliding, or eminent services to the sport of gliding over a long period of time, the FAI created this medal in 1938. It may be awarded annually to a glider pilot who has : - established an international record during the past year ; or made a pioneer flight (defined as a flight which has opened new possibilities for gliding and/or gliding techniques) ; or rendered eminent service to the sport of gliding over a significant period of time, and is still an active glider pilot.
