

WAG Microlight subcommittee

Members:

Wolfgang Lintl
Paul Dewhurst
Tormod Veiby
Vladimir Silhan
Antonio Marchesi

The aim is to create rules for a WAG microlight competition, organize, run and score a qualifying system, to ensure that planning for such competition at a WAG is according to the plan and to ensure, that such a competition is conducting to plan.

During the past year, this committee was not activ at all.

Sorry fort hat.

I as the chairmen know, that we have to start our work immediately to have something to present in advance for the planning of next WAG.

Wolfgang Lintl
