

INSTRUCTIONS FOR INITIATING A BID FOR A WORLD GLIDING CHAMPIONSHIPS

26 August 2018

The first step is to request an application from the IGC Bid Manager:

Peter Eriksen <peter@eriksen-aviation.eu>

The request may occur at any time before the deadline for notification of intent to bid. The deadline is normally September 30 of the year N – 4 (where N is the year of the event, as listed on the FAI calendar).

The deadline for the completed bid is normally December 31 of the year N – 4. The bid will be published as part of the Plenary agenda which will be distributed to the Delegates in mid January of the year N – 3.

Bids will be presented at the meeting of the Plenary in early March of the year N – 3, and the awarding of the championships will be decided by a vote of the Delegates at that meeting.

Any questions about these instructions should be directed to the Bid Manager.
