

2019 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
09/03/2019	2019/01	<p>The IPC bureau received a request from the Wingsuit Committee to make a change to the rules approved by the 2019 IPC Plenary Meeting. The unanimous vote to remove the camera score for all compulsory rounds in Acrobatic Wingsuit Flying had consequences that were not identified by the committee at the time. The proposed new rule 5.8.8. is as follows:</p> <p><i>The videographer shall provide the video evidence required to judge each jump and to show the team's performance to relevant third parties. It is the responsibility of the videographer to show the exit of the Performers so that the start of working time may be clearly determined. If, in the opinion of the Panel of judges, the start of working may not be clearly determined on the video, a penalty of 10% shall be deducted from the team's total score for that jump as determined in 6.2.8.2. and 6.2.8.3.</i></p>	<p>Considering that this request is vital for the comprehension of the 2019 Wingsuit Flying rules, the bureau agrees for it to be included in the 2019 update which although valid as of March 1st, will be published within the next two weeks.</p>
