JURY PRESIDENT SIGNATURE	

**Comments:**

Smooth conduct of the championship in spite of unfavorable weather, the new official result page works well: <http://results.worldskydiving.org/FrontEnd/CompetitionCollection/1022>

Due to the unfavorable weather the last round could not be finished, so no new FAI records could be established.

The organizer around Petr Jires and Meet Director Martin Gabla did a great job, everything was organized according to FAI regulations.
