In the Para-Ski season 2019/2020 first time in history no Para-Ski Competition took place. Most of the 4 announced Competitions of the World Cup Series (2<sup>nd</sup> Category Events) in Austria, Germany, Czech Republic and Bosnia and Herzegovina had to be cancelled by really bad weather forecast. And all of this before the Pandemic started in Europe.

### FOR THIS SEASON 2020/2021

One Para-Ski Competition is announced for the World Cup Series:

Jan. 21th/24th 2021, SPICAK, Czech Republic

Caused by the pandemic the FAI World Ranking List for Para-Ski 2021 (white year) will be the same as the list from 2020 (until we might have a WPC in December 2021).

### FUTURE WPCS, WORLD CUPS AND OTHER FIRST CATEGORY EVENTS:

Bid for the 18<sup>th</sup> FAI World Para-Ski Championship 2021 hold in Tanay, Russ, Dec 2021.  
Presentation by the Organiser

### PARA-SKI COMPETITION RULES:

There are no rule changes proposed by the C'ttee, all is set fine in the CR 2021 for now.

### ANY OTHER BUSINESS

We are looking forward to receiving information and proposals ([isc-paraski@fai.org](mailto:isc-paraski@fai.org)) and we invite you to organise and join the activities of PARA-SKI.

ONLY IF WE FIND NATIONS / FRIENDS ORGANISING PARA-SKI COMPETITIONS THE DISCIPLINE CAN SURVIVE.
