

FREEFALL STYLE & ACCURACY LANDING COMMITTEE ANNUAL REPORT — 2020

Due to the corona pandemic, all FCE and SCE have been canceled.

Smaller competitions or national championships were only carried out in individual countries.

1. RULE CHANGES (CLARIFICATION)

Current: ~~7.3.3. Junior competitors who are part of their male or female Accuracy Landing team will only be ranked in the junior classification (AL, ST, individual overall).~~

Proposed: 7.3.3. Junior competitors who are a part of their male or female Accuracy Landing team may choose to be ranked in the individual classification (AL, ST, individual overall) as a Junior or Senior. This must be clearly indicated on the final entry form.

01/04/2020 Interim Bureau Decision.

RATIONAL: GS 2020 - § 4.17 AGE CATEGORIES

After the competitors meeting during the Mondial in Tanai 2021, the committee will discuss the competitors proposals.

2. ISC MEETING IN BUKAREST 2021

If the ISC meeting takes place in Bucharest, the committee will ensure that the chair or the deputy chair is present!

A clear statement cannot be made because at the moment nobody knows what will happen with the pandemic in January 2021.

3. FREEFALL STYLE & ACCURACY LANDING CALENDAR

2021 Mondial in Tanai; Russia

2022 World Cup & European Championship in Strakonice CZE

2023 World Championship in Belarus ? (a lot of political unrest)

2024 World Championship in China?

4. ST & AL COMMITTEE MEMBERS 2021

No change is planned in the committee for 2021!
