## RULES & REGULATIONS COMMITTEE ANNUAL REPORT — 2020

2020 was a very quiet year on the R&R front. That is, till the Jury Development Working Group (JDG) got the green light from the Extended Bureau to ask R&R to draft a new set of rules for a changed jury composition. That job was done in about 2 weeks. Furthermore, a proposal was sent to FAI to update the diplomas, in line with our Internal Regulations. This is about to be handled by the ISC president at the FAI General Conference, the result of which is unknown at the time of writing.

### SPORTING CODE - SECTION 5

As written above, most work involved the Jury. The rest were just small changes, as per proposal document.

### INTERNAL REGULATIONS

The 1st ISC VP did propose a new set of Internal Regulations, leading to several comments from Committee Chairs. This is beyond R&R but any outcome will be incorporated in 2021.

In closing, I express my thanks to my R&R colleagues for their work in 2020: Elisabet Mikaelsson, Richard "Buzz" Bennett, Doris Merz-Hunziker, Liam McNulty, James Hayhurst, Claire King and Sarka Ferrovara. Much appreciated.

**Ronald Overdijk**  
Rules & Regulations Committee Chair
