2.5 Location of Event

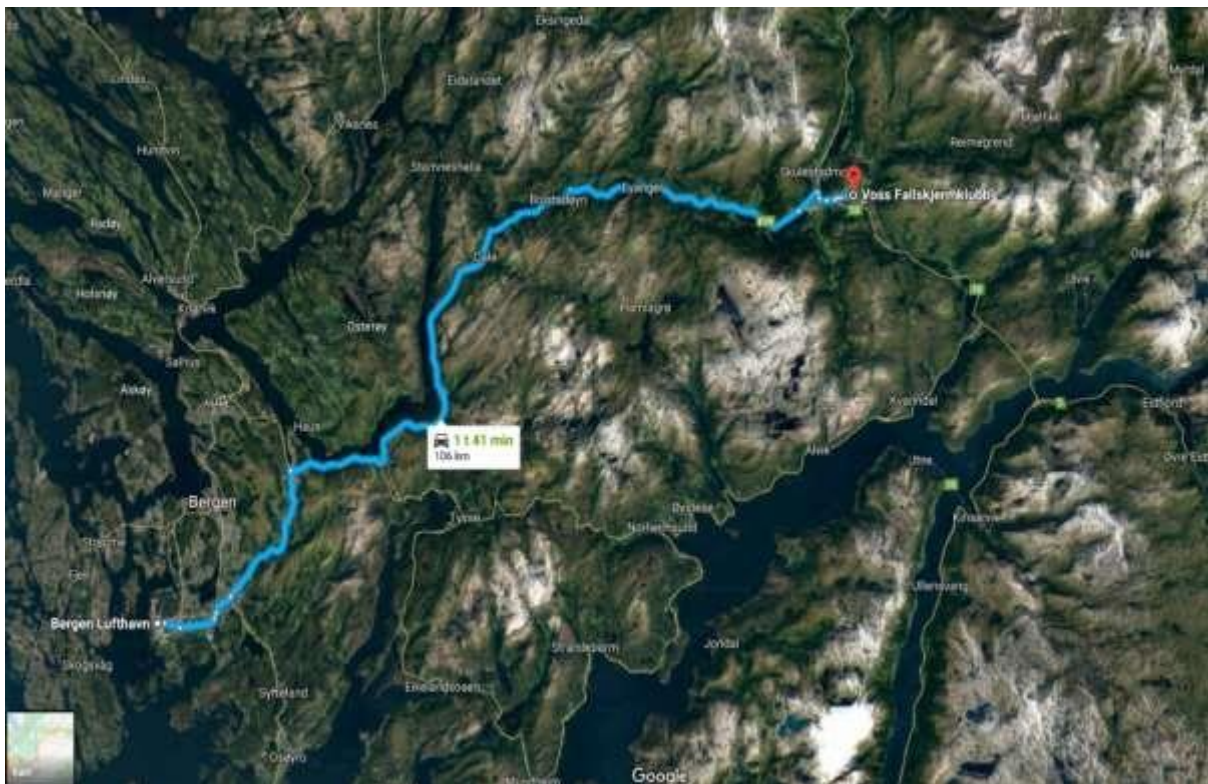

Skydive Voss is located in a beautiful scenario just 7 minutes' drive from downtown Voss.

Voss, located in the heart of Fjord Norway, is a mecca for outdoor adventures all year round. Only an hour and a half away from Bergen; Norway's second biggest city, and a 30 minutes' drive to the Hardangerfjord and the Sognefjord. It is the perfect place to explore the fjords.

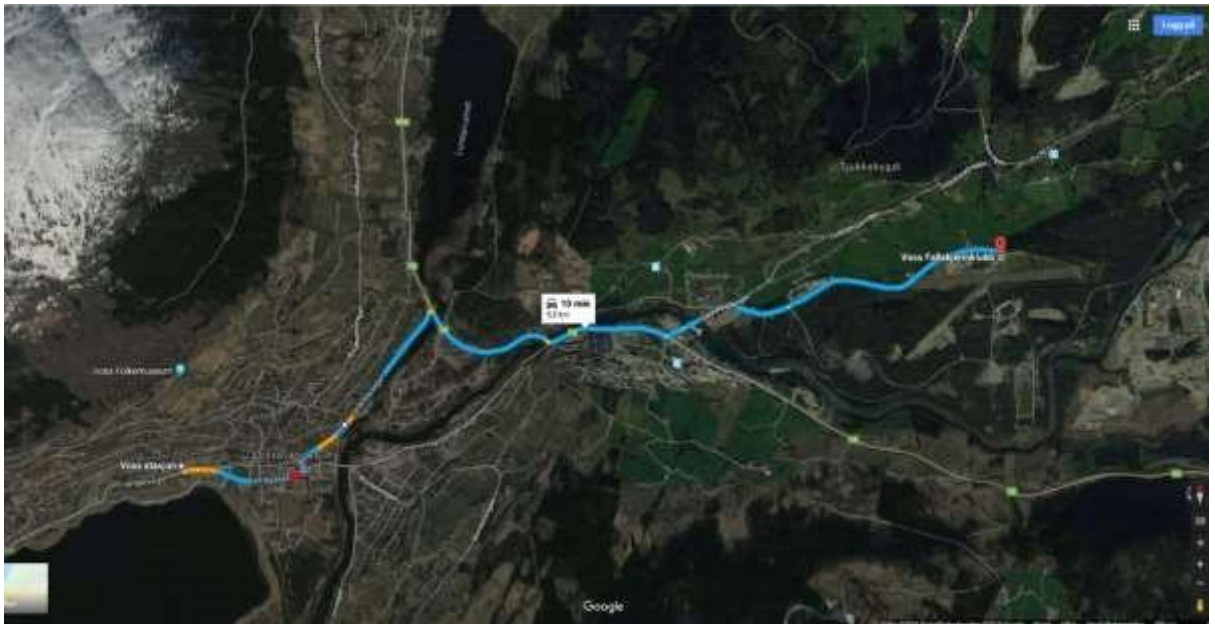

Visitors have travelled to Voss to enjoy the beautiful scenery and enjoy the nature for almost 200 years. As you explore Voss, snow-covered mountaintops; valleys and forests; rivers; waterfalls and lakes will greet you, and the locals will show you the Voss-way of living.

Voss is the largest ski destination in Western Norway and well known among skydivers and other extreme sports athletes for its annual Extremesport festival in June.

2.6 Details of access

By Air:

Bergen Airport Flesland within a reasonable driving distance, about 1 hour 30 minutes by car or 2 hours by bus/train.

The following options are available to get to Voss from the airport in Bergen:

- Shuttle service, which will be operated by Skydive Voss
- Car rentals <http://www.rentalcars.com/no/airport/no/bgo>
- Train <https://nsb.no/>

By Train:

The Bergen Railway between Oslo and Voss is considered one of the world's most scenic train rides. There are four daily departures from Oslo and Bergen (Voss). The 5 hour's journey brings you across one of Europe's highest mountain plateaus, and takes you to through spectacular and varied nature.

By Road:

By bus and car –1.5 hours drive from Bergen, 5 hours drive from Oslo.

2.8 No airspace restrictions. The area has no requirements of NOTAMS and the national or local aviation authorities does not require or handle any NOTAMS here. However, we will make a NOTAM for the event, to limit other possible traffic and have priority to the event.

2.9 Landowner restrictions.

No restrictions. The municipality owns the airport and welcomes the event.

2.10 Details of event insurance

Liability insurance for non-jumping event personnel (FAI directors, employees, judges and officials) will be arranged by the Organiser.

The immediate medical First Aid to the participants is the responsibility of the organizer during the official event, including official training day.

2.11 Details of insurance required by participants:

All competitors must have their own third party liability insurance covering a minimum of 1,6 million EUR. The Organiser offers this on site at approximately 50 EUR for one month's coverage.

It is strongly recommended to all competitors to have insurance to cover medical expenses and repatriation in the case of injury.

2.12 Entry Fee

All budgeting and pricing has been forecasted using the current IPC rules in regards to the number of rounds, judge panel requirements, etc. the Organiser reserves the right to revise these figures should any changes occur in the rules that result in increased costs to the organizer. The IPC will immediately be informed in that case. If changes occur that enable us to reduce the cost, this will be noted in Bulletin One.

Competitor entry fees include Opening Ceremonies, Competition costs, lunch each day during competition, Closing Ceremonies and Banquet, Social Night, Entertainment, promotional/gift selections.

Competitors will be responsible for their own accommodation, some meals, travel and transportation. Accommodation recommendations will be provided, and transportation services will be offered.

Entry fee for Heads of Delegation, Team Leaders and Other Delegation Members includes Opening Ceremonies, lunch each day during competition, Closing Ceremonies and Banquet, Social Night, Entertainment, promotional/gift selections.

Entry fees (per competitor):

Formation Skydiving	700 EUR + 90 EUR FAI/IPC Sanction fee
Artistic Events	610 EUR + 90 EUR FAI/IPC Sanction fee
Member of Official Delegation	300 EUR + 90 EUR FAI/IPC Sanction fee
Alternate team member	300 EUR + 90 EUR FAI/IPC Sanction fee
Second event	50 EUR + jumps

Late registration may be accepted if capacity allows and the registration fee will be increased by 20% (except the Sanction fee which stays the same).

2.13 Facilities

Skydive Voss has high standards on facilities. The facility consists of one building with one floor including several multi-purpose rooms and a cafeteria. Registration will be conducted at Skydive Voss.

Judging panels will be housed in two rooms with ample space for the judging team, video playback monitors, printer and other supplies. An electronic image dubbing area will be set up outside the building.

There will be networked computers and printers located in the building that are accessible to competition staff.

There will be internet access capable of serving a large number of connected devices, with a closed circuit for judges and another for media and officials.

There will be areas setup for competitor use outside of the main building; areas for creeping and dirt dives, restaurant and lounge area. There will also be space for competitors to relax.

The building is equipped with public toilets including both men's and women's facilities, and showers. Additional portable toilets will be set up for the competition.

Opening ceremony, closing ceremonies and the banquet, will be conducted downtown Voss.

2.16 Accommodation

Voss is a tourist city with many options for accommodations. Skydive Voss will provide participants with accommodation recommendations and will intend to secure discounted rates for the event participants to be presented in Bulletin 1.

This website will give you a lot of information about Voss and accommodation in Voss:

<https://www.visitvoss.no>

2.17 Local transportation provided

Skydive Voss will provide shuttle transport from/to downtown Voss for the judges and staff related to the event and also competitors, if necessary.

2.18 Outline of media plan

The Organiser will inform about the event to national media outlets and international skydiving and tunnel-flying related media outlets. The Organiser will have its own PR staff and will send press releases and media invitations to its media contacts on a monthly basis for the six months preceding the event. Two months prior to the event, the Organiser will increase the amount of press releases and photos sent out.

The Organiser will make available interviews, photos and video footage to the media contacts.

The Organiser will publish daily from the event on "live stream" with professional commentators.

2.19 Accommodation details for FAI/IPC officials.

Accommodations for the FAI/IPC officials will be provided at one of the downtown Hotels. At the moment there are two Hotels downtown Voss; Park hotel and Fleischer Hotel. By 2021 there will also be a new Hotel in connection with the new Gondola, but we do not have details about this hotel yet. Park hotel can be seen here:

www.parkvoss.no

And Fleischer here:

www.fleishers.no

Advance notice is requested for any accompanying persons and/or room requirements.

2.20 Details of all Judging and Scoring Equipment to be provided.

The Organiser will provide judging and scoring equipment that meets the requirements set forth by the IPC for all events. The Norwegian Air Sports Federation provides us with the InTime scoring system which can be used both for FS and AE. More judging panels can be provided if needed and depending on the number of competitors.

2.21 Details of Public Address system to be used by Manifest and for the general public.

The Organiser will secure a way to inform the event participants and public about the process of the competition.

2.22 Safety

Skydive Voss will have full time first aid and CPR trained persons on site for the duration of the event. Full ambulance and medical services are available through emergency services (113). Voss Hospital is 8 min away from Skydive Voss by car.

2.24 Proposals for Event Officials
