<b>Recommendations for Organisers:</b>	THE ROOM MADE AVAILABLE AND THE EQUIPMENT WAS PERFECTLY IN ORDER. THERE WAS A LACK OF HOT DRINKS AND WATER MADE AVAILABLE BUT WE COULD GO AND GET THEM FROM THE RESTAURANT. SINGLE ACCOMODATION WAS MUCH APPRECIATED. THERE WAS A BIG DIFFERENCE IN THE SUPPORT PROVIDED FROM WEEK ONE TO WEEK TWO. VOLUNTEERS WERE HARD TO FIND AND HAD LOST INTEREST. THE FEELING OF A BIG INTERNATIONAL COMPETITION WAS COMPLETELY LOST. THE CHANGE IN MEET DIRECTOR WAS NOT GOOD, ALTHOUGH IN THE END THE EVENT WAS RUN CORRECTLY AND FINISHED IN GOOD TIME. NO SPECIAL RECOMMENDATIONS REGARDING THE CF EVENT

72<sup>nd</sup> FAI/ISC PLENARY MEETING, BUCHAREST, ROMANIA, 28-30 JANUARY 2022

<b>Rule Changes Proposals:</b>	<p>A situation arose whereby we could not determine the start of working time because the top of the formation was off screen. Consequently we started the working time at 20 seconds. There is a penalty of 20% if exit from the aircraft is not visible, perhaps a similar penalty could be applied to such a situation whereby the start of working time cannot be determined? We also suggest the following change (addition of word THEN) to clarify that the first point, outside of working time, should be scored.</p> <p>5.3.2 SCORING: Teams will be scored from the first point, whether correct or not. Teams will be awarded one point for the first correctly completed formation and THEN every correctly completed 4-way plane/stack formation within the working time, according to the performance requirement. Team members rotating from the top of the plane/stack formation before the bottom team member has taken a grip will not receive credit for that formation. The following formation (the rebuild) shall be scored as zero (0) points, except for the formation following the first formation after the start of working time.</p>
<b>Personal remarks:</b>	A separate report will be sent to the Judges Committee regarding the performance of certain judges.

*According to Sporting Code Section 5, 6.9.1 (11) this is to be sent to the Chair of the Judges Committee and the ISC Technical Secretary within 30 days of the competition completion.*
