	<ul style="list-style-type: none"> • The volunteers were absolutely incredible! I have never worked with such an amazing group of volunteers that supported the judges throughout the entire event! • The 4 additional persons were knowledgeable, supportive and enthusiastic, however 2 lacked a working knowledge of English. • Jasper, again trained an efficient team. • Clair & Dirk are always a privilege to work with. • More attempts to launch aircraft would have yielded more jumps and possibly the completion of Accuracy. • The judges did not have a suitable room for our Judges Conference and work off of the course. • The toilets at the pond must be cleaned daily. • The announcement could not be heard at the pond.
