2022 – Tanay – World Championship – 27 competitors. No juniors category

2018 – Australia – World Championship – 31 competitors. No juniors category (Open only)

According to the current competition rules, there are 30 medals!

There are more medals to hand over than competitors.

In all those 3 competition, the male champion was also the open champion.
Anyway, someone is already having 2 medals for the same achievement.
Either have male/female or open/female as in FS. There is no real justification to have all different options.
(FS has Open/female, as a team can be mixed. In individual performance, there is no need for open category.)

Since 2018 (we did not check previous competitions before that) there was no Junior category.

Sec. 5: 4.10 (3) An event will be removed as a valid event from the ISC Competition Rules, if: (a) The event does not take place at two successive FCEs by reason of (1) above. (b) The event has less than 4 NACs participate at two successive FCEs. (c) In two successive FCEs, the event has less than 4 NACs participate or less than 4 NACs indicate the intention to participate as per (1) above or a combination thereof.
