**ISC CANOPY FORMATION
AGENDA FOR OPEN PLENARY MEETING
Orlando, Florida U.S.A. 2024**

1. INTRODUCTION**2. COMPETITION RULES**

- 5.3.2 SCORING: Teams will be scored from the first formation whether correct or not. Teams will be awarded one point for the first correctly completed formation and then every correctly completed 4-way plane/stack formation within the working time, according to the performance requirement. Team members rotating from the top of the plane/stack formation before the bottom team member has taken a grip will not receive credit for that formation. ~~The following formation (the rebuild) shall be scored as zero (0) points, except for the formation following the first formation after the start of working time.~~

Section 5

5.2.6

- (2) Add: **Failure to meet any of these requirements will result in a score of zero (0) points.**
- (5) Add: **For CF and FS secondary video recordings may only be used in NV situations as defined in the relevant competition rules.**
- (9) Delete & Add: If the Video Review Panel determines that the video equipment has been deliberately tampered with or there has been an intentional abuse of the rules, ~~the team will receive no points for all competition rounds involved.~~ **SC5 5.4 will be applied (Unsporting Behaviour)**
- (12) Delete : For CF **Rotation**, AE and WS **acrobatic disciplines** ~~the Organizer must provide the teams with a way of identification of the team showing the team number/round to be recorded by the Videographer just before exit. The recording should continue with the jump without a stop in recording. Failure to meet this requirement will result in a score of zero points for the relevant round.~~ **(Getting rid of slates)**
