Introduction

This Handbook is issued by the ISC as an information source for prospective FAI Controllers, and to assist FAI Controllers to perform their duties at ISC First Category Events. This Handbook will be used by the FAI Controller for all ISC First Category Events. The FAI Controller is appointed by the ISC, upon recommendation from the ISC Bureau and may not be from the Organiser’s country.

The duties and responsibilities of the FAI Controller, which commence upon appointment, are:
- To read and then follow the ISC FAI Controller Handbook.
- To ensure that the Organiser follows the terms of the Organiser Agreement, the Sporting Code, the Approved Bid and the Competition Rules as they pertain to the organisation of the competition, including timely payment of the required Deposit (FCEAD 2.2.3) and the Sanction Fees.
- To ensure that the Organiser follows the terms and conditions of the accepted FCE Application/Bid as they pertain to commitments made to assist Delegations and any other administrative matters.
- To visit and inspect the competition site at a suitable time during the preparation thereof unless deemed unnecessary by the ISC Bureau and/or the relevant ISC Competition Committee.
- To review the medical services and, in conjunction with the Organiser, agree to the level of medical services required. Minimum requirements include:
  - Emergency medical personnel to be present at the FCE, the number, based on best practice, to be determined by the size of the event (number of competitors, officials and spectators).
  - Adequate medical equipment on site.
  - Emergency response services (ambulances, helicopters, etc.) and medical facilities (hospital etc.).
  - A procedure in place in the event of a casualty or a serious accident. The document “FAI Guideline In the Event of a Casualty or a Serious Accident” can be obtained from the FAI Secretariat.
  - An Organiser may wish to consider having counsellors on standby to act in the event of a major incident.
- To inform the ISC Bureau if and when organisational or administrative problems or irregularities arise.
- To report to the Jury as to the state of organisation, before the Jury gives its approval to start the competition (SC5; 4.5.1).
- To monitor safety and report any safety violation (including that described in SC5 1.3(2)) that takes place during the FCE to the Safety Panel for further action in accordance with SC5, 4.8
- To attend all Safety Panel meetings and be responsible for recording in writing all Safety Violation Notices.
- To assist, if necessary, in the travel cost reimbursement of the personnel listed in SC5 4.1.4(1).
- To confirm the attendance of each Jury Member, Judge and the Media Liaison Persons by filling in the ISC FCE Personnel List and submitting it to the ISC Finance Secretary, in accordance with the current ISC Expense Reimbursement Policy Document.
- To liaise with the Organiser and Meet Director during the competition to ensure adherence to the program of competition, the Sporting Code and the Competition Rules. Any deviation must be reported to the Jury.
- To establish the number of participants who pay the Sanction Fee. The FAI Controller shall first establish a provisional estimate, which must be paid to the FAI at least seven (7) days before the published start date of the competition. The FAI Controller shall then establish the actual number of participants to allow for a final settlement before the Jury approves the competition results and declares the event to be valid. The FAI Controller must advise the ISC Finance Secretary of the actual number of participants by completing and submitting Annex 4, so that a proper accounting may be made.

- To review and submit all Official Information Bulletins as required by SC5 4.1.5. The FAI Controller will not report to the ISC, unless issues have arisen that require consideration or a decision by the ISC at its next Plenary Meeting. If no report is required, the FAI Controller need only report to the Chair of the relevant Committee. The FAI Controller must have a thorough knowledge of the Sporting Code, General Section, and Section 5, the Competition Rules, the Organiser Agreement and the accepted Bid Document.
