- International Sporting Events approved by the FAI Air Sport Commissions concerned.

The ISC Bureau and the relevant Competition Committee Chairs are available to give help and advice at any stage of the process (contact via the ISC President).

## 2 COMPETITION APPLICATION PROCEDURE

The terms of this document are compulsory for all potential Organisers submitting a bid to host an ISC FCE.

### 2.1 APPLICATION

#### 2.1.1 *Application Schedule*

The application must be submitted by a NAC, an ISC recognized National Parachuting Authority or a potential Organiser to the ISC President together with proof of timely payment to FAI of the relevant Application Fee (2.2.1. and 2.2.4).

Any application may be checked with the relevant Committee(s) prior to submission for completion of details, with the proviso that entry fees need only be included in the final application.

An application must contain all the information indicated in Annex 2 "FCE Bid Document Format" and the Application Fee as described in 2.2.1 below must be paid by FAI invoice to the FAI the time the application is submitted.

The decision to consider an application submitted after the time specified above is subject to the provisions of ISC Internal Regulations, 3.8.3, requiring an ISC Bureau decision on conflict with other applications, followed by the necessary two-thirds vote for the application to be placed on the Agenda of the ISC Plenary Meeting.

No application will be considered unless the required application fee has been paid and the application is accompanied by the required draft Organiser Agreement, as per paragraph 2.3 below.

#### 2.1.2 *Review and Evaluation of the Application*

- (1) The ISC Bureau will review all applications submitted in accordance with this document.
- (2) The ISC Bureau has no power to change the original application in any way.
- (3) The ISC Bureau will take advice from the relevant Competition Committee Chair(s) in order to evaluate the applications.
- (4) The ISC Bureau will liaise with the applicant to clarify facts and information and to rectify omissions.
- (5) All application information must be kept confidential and the persons involved in the review process may not discuss the contents of the application with any person other than the applicant or amongst themselves.

### 2.1.3 *Decision on the Application*

The ISC Plenary decision on whether to approve or reject an application to organise an FCE will take place in accordance with the following timeline criteria:

- i) The decision may not be made before the ISC Plenary Meeting which takes place no earlier than two calendar years before the year in which the FCE is scheduled.
- ii) If an application has been received by October 1<sup>st</sup> before the ISC Plenary Meeting which takes place no earlier than two calendar years before the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that ISC Plenary Meeting.
- iii) If no decision can be made in accordance with (ii) and an application is received by October 1<sup>st</sup> before the ISC Plenary Meeting which takes place one calendar year before the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that ISC Plenary Meeting.
- iv) If no decision can be made in accordance with (iii) and an application is received by October 1<sup>st</sup> before the ISC Plenary Meeting which takes place in the year in which the FCE is scheduled, a decision to approve or reject the application will be made at that ISC Plenary Meeting.

Example:

FCE for 2027:

## 2.2 FINANCIAL OBLIGATIONS

A bidder has several financial obligations related to the organization of an ISC competition.

### 2.2.1 *Application Fee*

An Application Fee as per FAI Fees Schedule must be paid with every Application submitted to the ISC. This Fee must be paid no later than one week before the date on which the final Application is sent to the ISC President, or in the case that an Application is submitted at the ISC Plenary Meeting, the Fee must be paid at the Meeting before the voting takes place.

The application fee will be:

- (1) Returned if approval is not given by the ISC Plenary
- (2) Retained by the ISC
  - a) if the Application is withdrawn prior to any decision with respect to the approval, unless the ISC Bureau decides that the withdrawal is beyond the control of the applicant in which case it will be returned,
  - b) if approval is given but the FCE cannot take place for any reason.
- (3) Retained by the ISC and returned, together with the Deposit (2.2.3) within 30 days of the conclusion of the competition.

The FAI Controller will establish an estimated total that must be paid by the Organiser to the FAI at least seven (7) days before the published official start date of the competition. The FAI Controller shall then establish the actual number of participants to allow for a final settlement before the Jury declares the event to be valid.

### 2.2.3 *Deposit or Guarantee*

The Organiser will either pay a Deposit as per FAI Fees Schedule or provide a Guarantee (e.g. letter of credit, certificate of deposit) to the FAI/ISC no later than 30 days before the starting date of the Sporting Event, in a manner acceptable to the ISC. The form of a

Guarantee must be determined by the Organiser and must be accepted by the ISC Bureau before the Sporting Event may be approved by the ISC Plenary. The amount of the Guarantee must be equal in value to the required Deposit on the date that the Sporting Event is approved by the ISC Plenary.

In the case of World Cups or other FCEs, a lesser amount may be agreed to by the ISC Plenary, upon recommendation from the ISC Bureau, or the ISC Competition Committee(s) concerned.

This Deposit and the Application Fee (2.2.1(3)) will be refunded in full to the Organiser or the Guarantee will be cancelled as soon as possible after the ISC Bureau has received the report from the Jury (SC5 4.7.2.6) but in no case later than 30 days after the end of the competition, except in situations as laid out in Annex 1.

#### 2.2.4 *FAI Fees Schedule Payments*

The organiser will bear all other organisational costs resulting from obligations as defined in the Organiser Agreement or in the Sporting Code.

#### 2.2.6 *Payment of Sanction Fee and Deposit*

  - a) it receives confirmation that the required Deposit has been paid or the required Guarantee has been provided (see 2.2.3 above).
  - b) the provisional estimate of the Sanction Fee (see 2.2.2 above) has been paid to the FAI.
- (2) If either the payment of the Deposit or the provisional estimate of the Sanction Fee does not comply with the time deadlines stated in 2.2.2 and 2.2.3 above, the ISC Bureau will review the reasons therefor and, if the Organiser is found to be responsible with no extenuating circumstances, an amount equal to 10% of the Deposit will be retained by the ISC in addition to any amount retained by reason of Annex 1.

### 2.3 Organiser Agreement
