

2021 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
02/07/2021	2021/09	PCR TEST FOR ENTRY TO RUSSIA FOR FAI JUDGES AND JURY MEMBERS A negative PCR test must be taken within 72 hours prior to the arrival time in Russia. This is mandatory. Currently the ISC Expense Reimbursement Policy does not cover such matters and the question was raised as to whether any related cost could be reimbursed.	The ISC Bureau decided on an exceptional basis for 2021 only, (which includes the Para-Ski WC competition in December if the test is still mandatory), to reimburse for the selected FAI Judges and Jury Members any costs related to the mandatory PCR test to enter Russia. Reimbursement will be made on proof of payment (receipt) including the date on which the test was conducted, and a copy of the PCR document issued.
