Dear Ms. Perret:

It is a pleasure to forward you the enclosed record dossier for FAI Claim Number 9930, Class BR-6, Rigid Gas Airships (6,000-12,000 cubic meters), Speed Over a 1 km Course, claimed by Steve FOSSETT on 27 October 2004.

Please note that in our final analysis we used the data from the GNSS Flight Recorder to compute the record performance. The data and other files referenced in the reports of the Official Observers can be found online at: [http://www.dfsv.de/fossett/speed\\_record.html](http://www.dfsv.de/fossett/speed_record.html)

This U.S. National Record was established in accordance with the rules and regulations of the FAI Sporting Codes and is being forwarded for consideration as a World Class Record.

Sincerely,

A. W. Greenfield  
Secretary, Contest & Records Board
