Any additional sporting activity	No
Observations on time-keeping/judging	Very correct
Comments on ground facilities	High Standard
Prize-giving and issue of results	The winners in all classes received diplomas and cups at the awarding ceremony at ISS. PC data processing was at the airfield. Score lists with marked juniors were posted immediately after each round on scoreboard. Bulletin with final score lists was distributed to all participating countries (teams) after the competition and sent by e-mail to the participants.
Any incident or accident	No
Protests	No
Comments on accommodation, food, entry fees and other expenses	Accommodation at ISS hotel was satisfactory. Full board was available for all participants. Meals were served in ISS (breakfast and supper) and at the airfield (lunch). Additional food and beverages were available in the restaurant at the airfield. Entry fee was 30 EUR for seniors, 15 EUR for juniors as announced in FAI contest calendar.
Final comments and evaluation of the contest	The organization of the event was excellent. The transportation for all participants was organized each day from the ISS hotel to the launching site and back. Organizers provided tents with tables and chairs on the airfield for all competitors of each participating country. The airfield was a flat area open to all directions without any obstacles and assured perfect conditions for running the competition of the highest level.

Baikonur, 17 September, 2019
